Digital photo files for your ads may be sent via email or on CD's to magazines or bona fide graphic designers. These files remain the property of ©Tracey Eide and may be used for magazine ads, brochures or other stationary use only. If you want the digital file ONLY sent to a magazine, the cost is \$50.00 per image. If you want a finished 8x10 physical print sent to you and a digital image sent to a magazine or designer, the cost is \$30.00 for the actual photograph and \$20.00 for each time that image is sent to a magazine or designer. Postage on CD's will be levied if the magazine or designer requires the image be sent that way. All 8x10 and larger files (including digital only files will have a 72 dpi low resolution, NON-printable image sent for website or email usage.)
